

COVID UPDATE: April 13, 2021

Dear TSA Community,

With the latest COVID lockdown in the province of Ontario, the closure of schools for in-person learning and COVID numbers continuing to surge, it has become clear that **we need to cancel our in-person course schedule for this Spring.**

We were all really looking forward to being able to welcome students back to TSA for in-person courses, but unfortunately, this is not possible.

Our online Spring schedule will move forward as planned and **we've moved some of our in-person courses ONLINE** - we welcome you to explore these online versions - if you are interested in switching, any difference in cost will be refunded.

As per our policy, any student who registered for a cancelled in-person course will be refunded in full if they do not wish to switch to another course.

If restrictions are relaxed as we move into the Spring term, we will explore options for in-person courses and be in touch.

If you have any questions, please feel free to email us at info@tsa-art.com. Our in-person office hours will remain on Tuesdays, 9-5 p.m.

We thank you for your understanding and for your continued support of TSA!
