

February 25, 2021

Dear TSA Students,

Please note that we are no longer preparing T2202As for our students as **TSA does not meet the government requirements to be considered a designated educational institution.**

Therefore, we will no longer be issuing these forms.

If you use your tuition costs for tax purposes, you will need to use your registration receipt(s) to show proof of purchase.

Thank you for your understanding.

TSA
